Dear Mr Russo

**WOOROORA STATION WIND FARM**

At the 23 November 2023 ordinary meeting, Council resolved to express support for the Wooroora Station Wind Farm. This is based on the belief that the project provides valuable and significant development opportunities for the region.

Council also supports the significant social license program being put forward to support local community initiatives and recommends that the approval process include discussions with Tablelands Regional Council.

We will be advocating for the Federal and State Governments to approve the project as soon as possible.

Contact Kylie Coutts, Executive Assistant, on 40892306 or kyliec@trc.qld.gov.au if you require further information regarding this matter.

Yours faithfully
