WOOROORA STATION WIND FARM PROJECT

Dear Anthony,

Please receive this letter as acknowledgement of our support for the Wooroora Station Wind Farm Project.

We attended your Supplier Networking Presentation in Ravenshoe on the 24/11/2023. We hope that the project is successful and if there is anything further we can do to assist in showing our support please do not hesitate to contact us.

If the project was successful, this would allow us to expand in local employment as production would increase and provide opportunities for other local businesses also.

If you have any further questions, please do not hesitate to contact me.

Yours sincerely,

A handwritten signature in blue ink that reads "Blake Kidner".
