Public view location L7 Bill's block (uninvolved residential dwelling) - Existing view south west to north east. Photo coordinate Easting:779774 Northing:6466870 (MGAz55)

Public view location L7 Bill's block (uninvolved residential dwelling)- Proposed view through 120°. Approximate distance to closest visible wind turbine 2.1km

Notes

Composite panorama photograph taken with a Nikon D700 digital SLR camera with 50 mm prime lens.

Individual panorama photograph coordinate map datum is MGAz55 to ± 5 m.

Extent of potential wind turbine visibility and directional bearing illustrated on each photomontage is indicative only.

The Nikon D700 digital SLR camera with a 50mm lens results in a single photograph with a view angle equivalent to a 35mm digital SLR camera photograph taken with a 50mm lens.

Refer Figure 18 for photomontage locations
