

APPENDIX 2
MAPS OF SURVEY UNITS

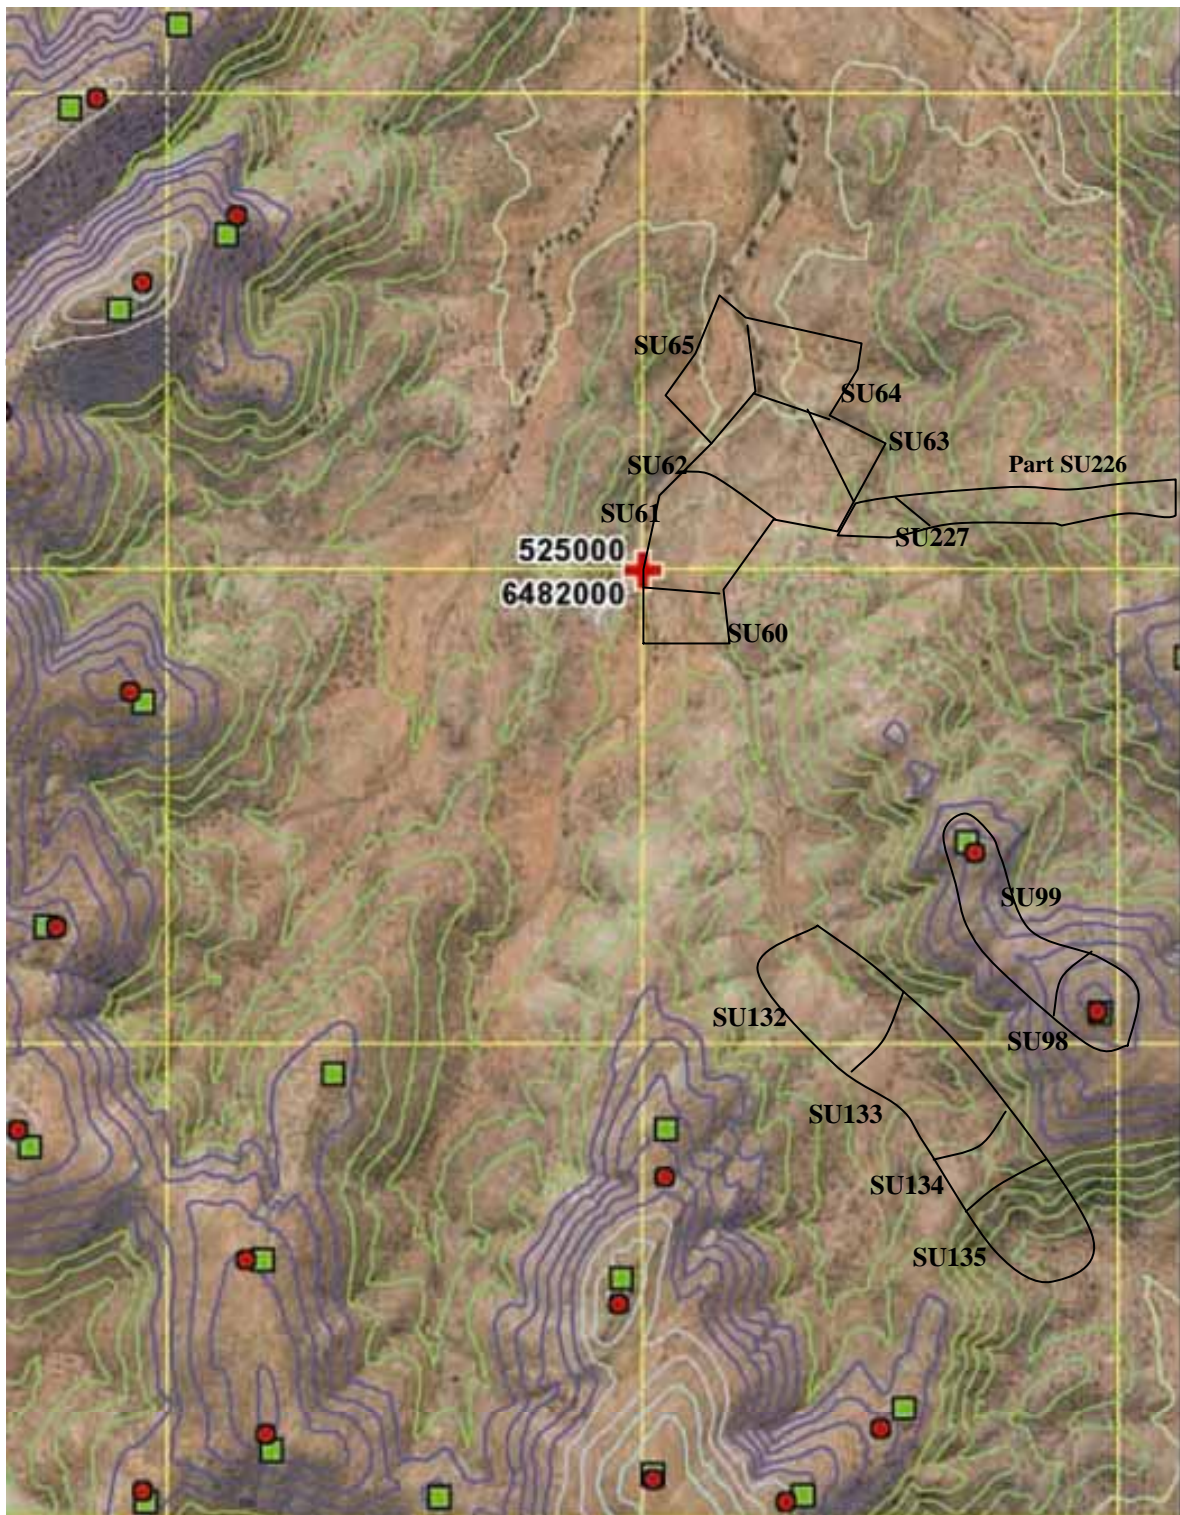

Map 1. Location of Survey Units 1- 27 and Survey Unit 228.
Note that turbine locations are indicative as per initial planning and are likely to have changed.

Map 2. Location of Survey Units 28 - 31, Survey Unit 40 and Survey Units 66 - 75.
Note that turbine locations are indicative as per initial planning and are likely to have changed.

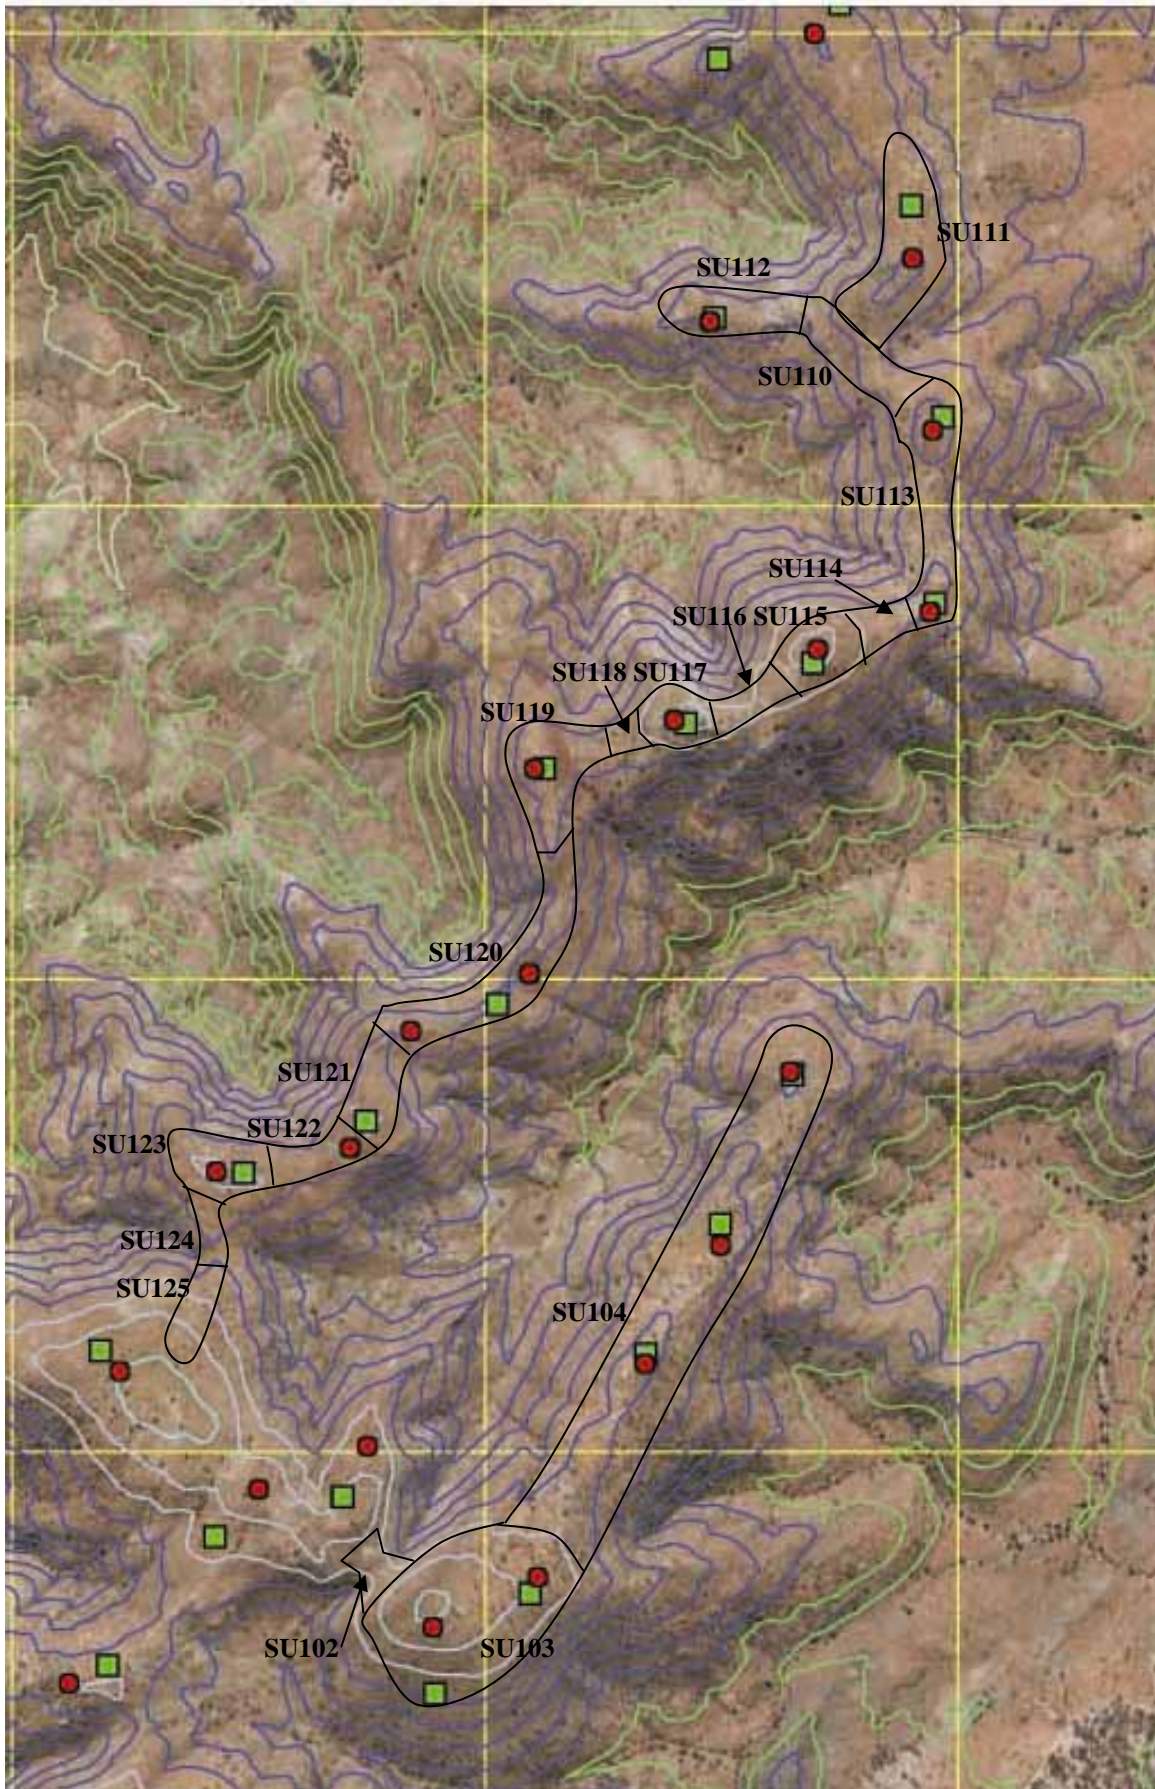

Map 3. Location of Survey Units 32 - 39 and Survey Units 41 - 59.
Note that turbine locations are indicative as per initial planning and are likely to have changed.

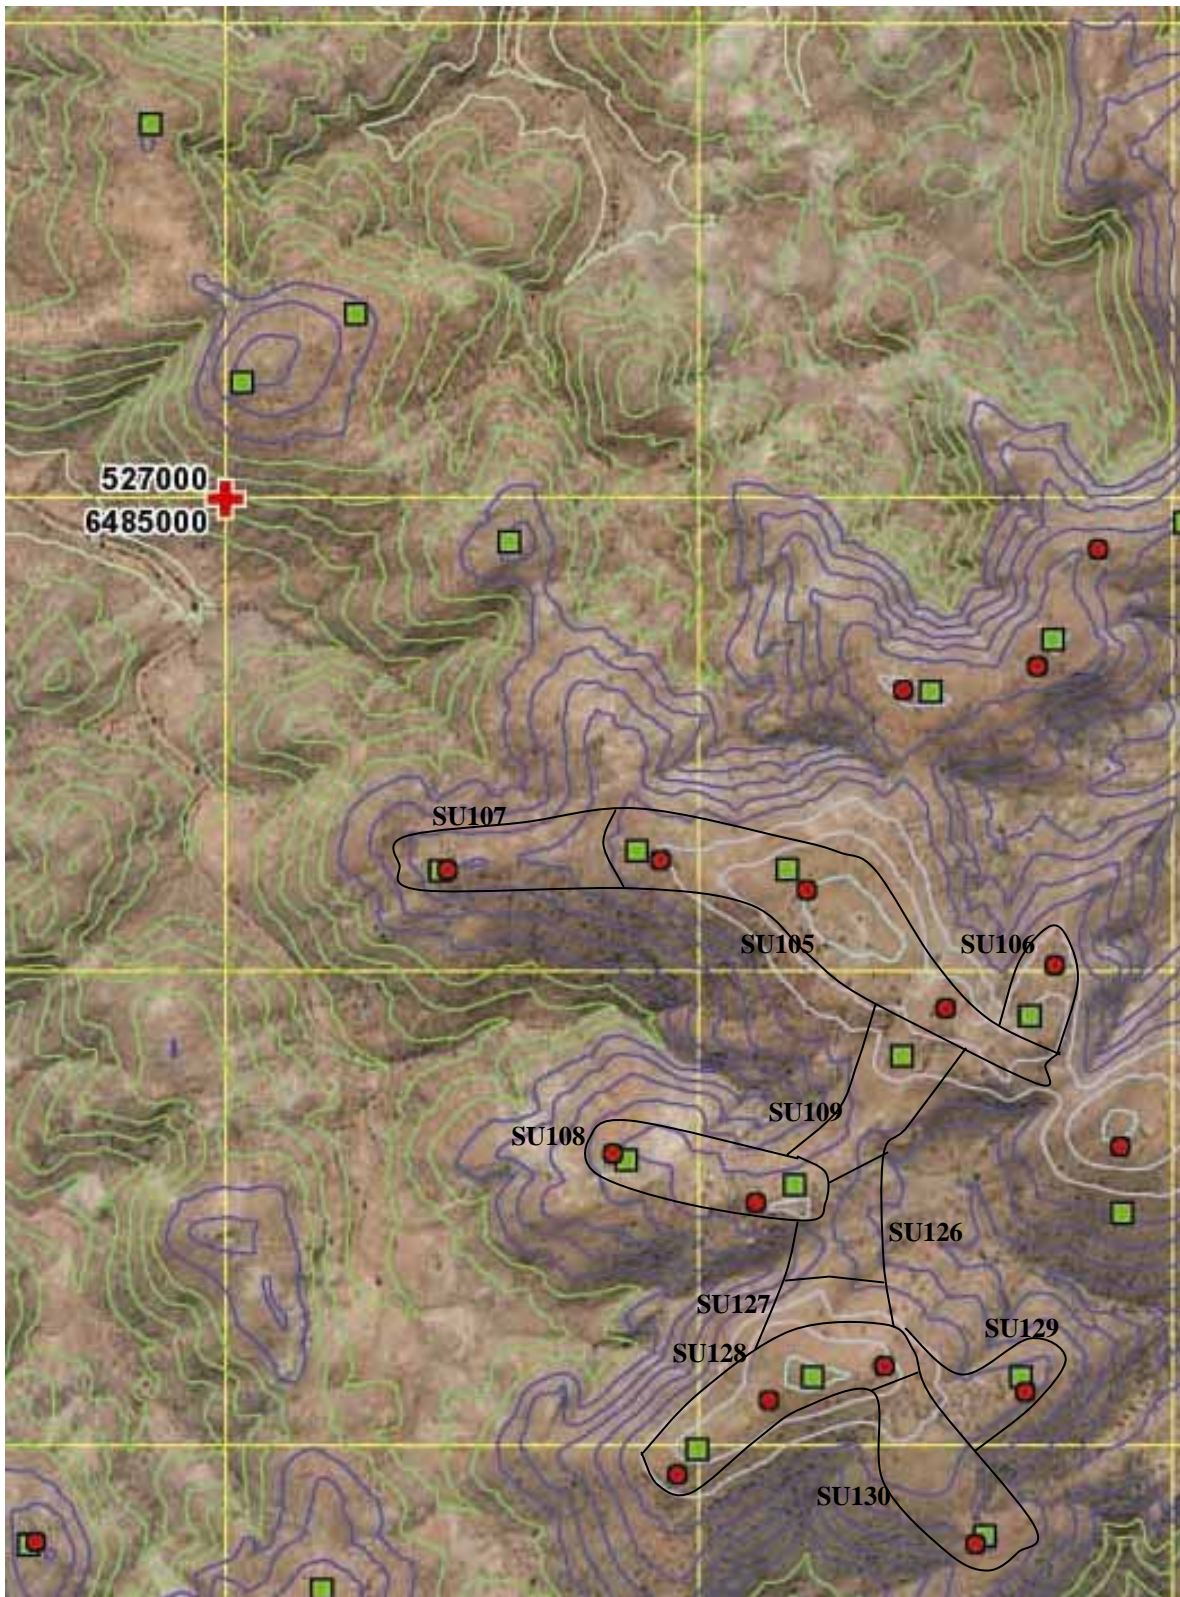

Map 4. Location of Survey Units 60 - 65, 98 - 99, 132 - 135, 227 and part of Survey Unit 226. Note that turbine locations are indicative as per initial planning and are likely to have changed.

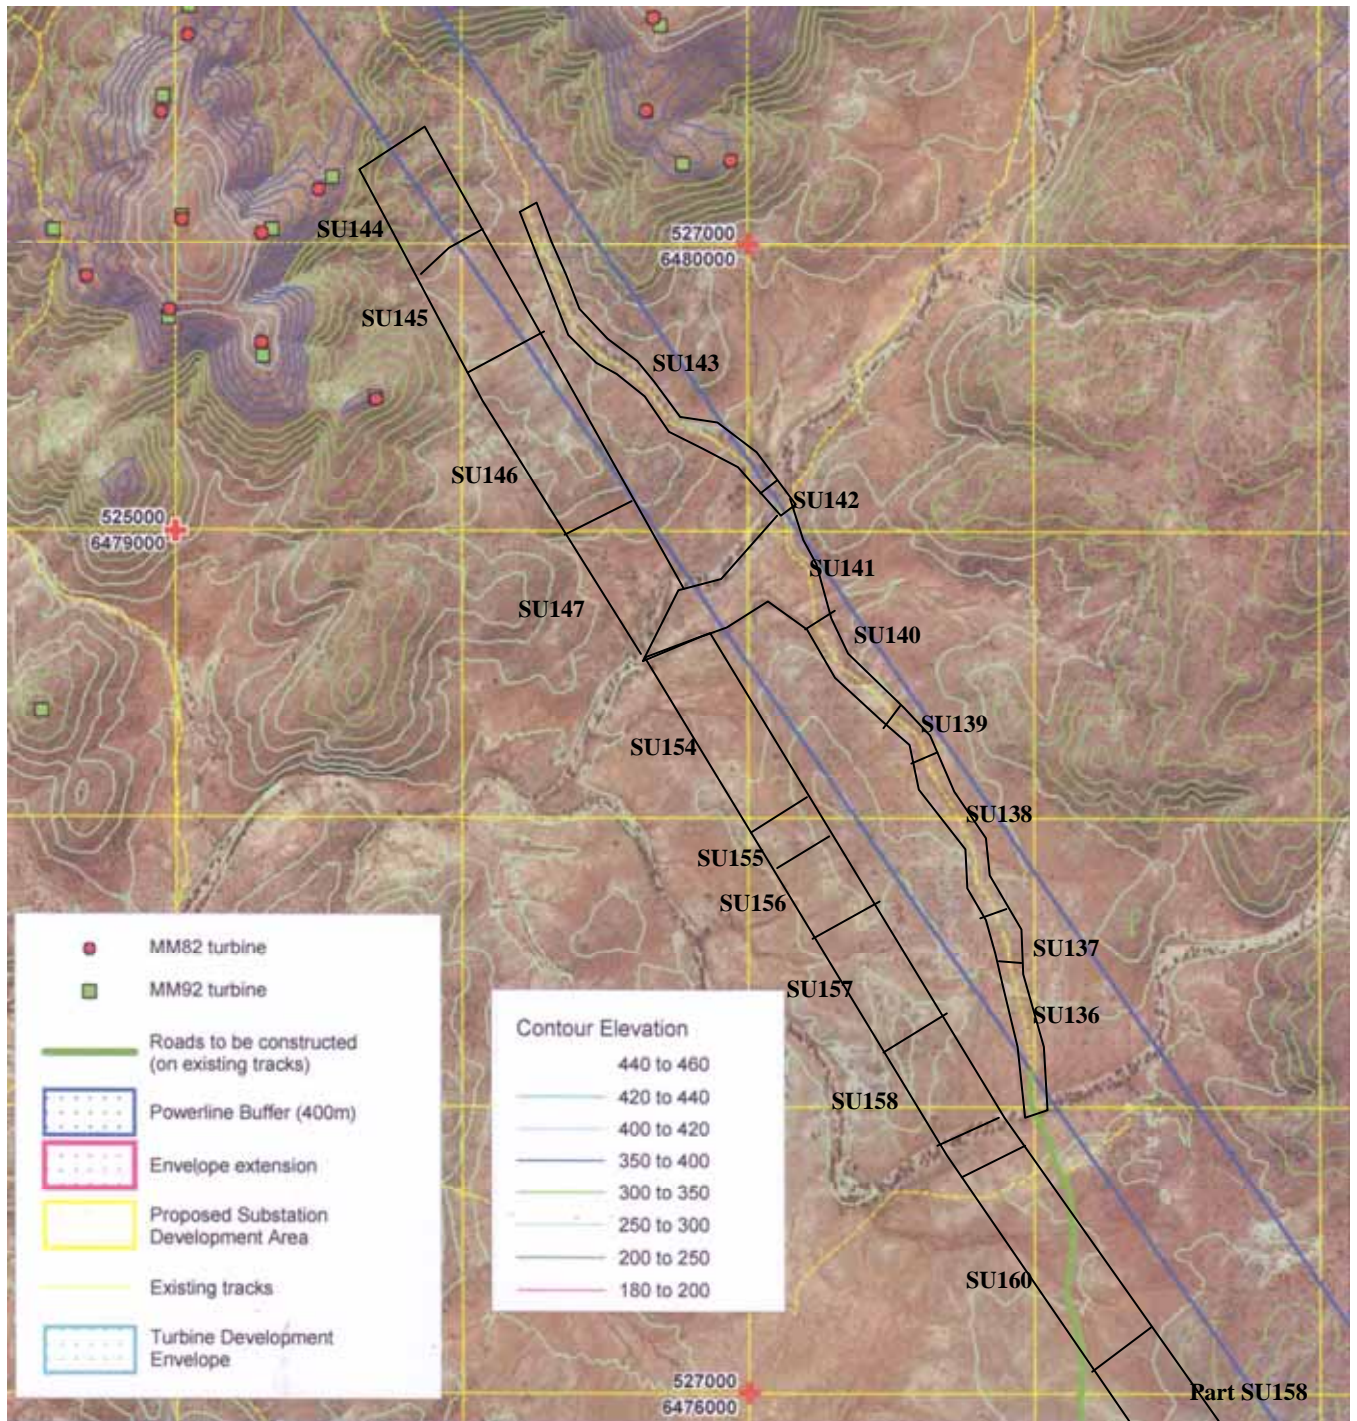

Map 5. Location of Survey Units 76 - 97, 100 - 101, 131 and part of Survey Unit 226. Note that turbine locations are indicative as per initial planning and are likely to have changed.

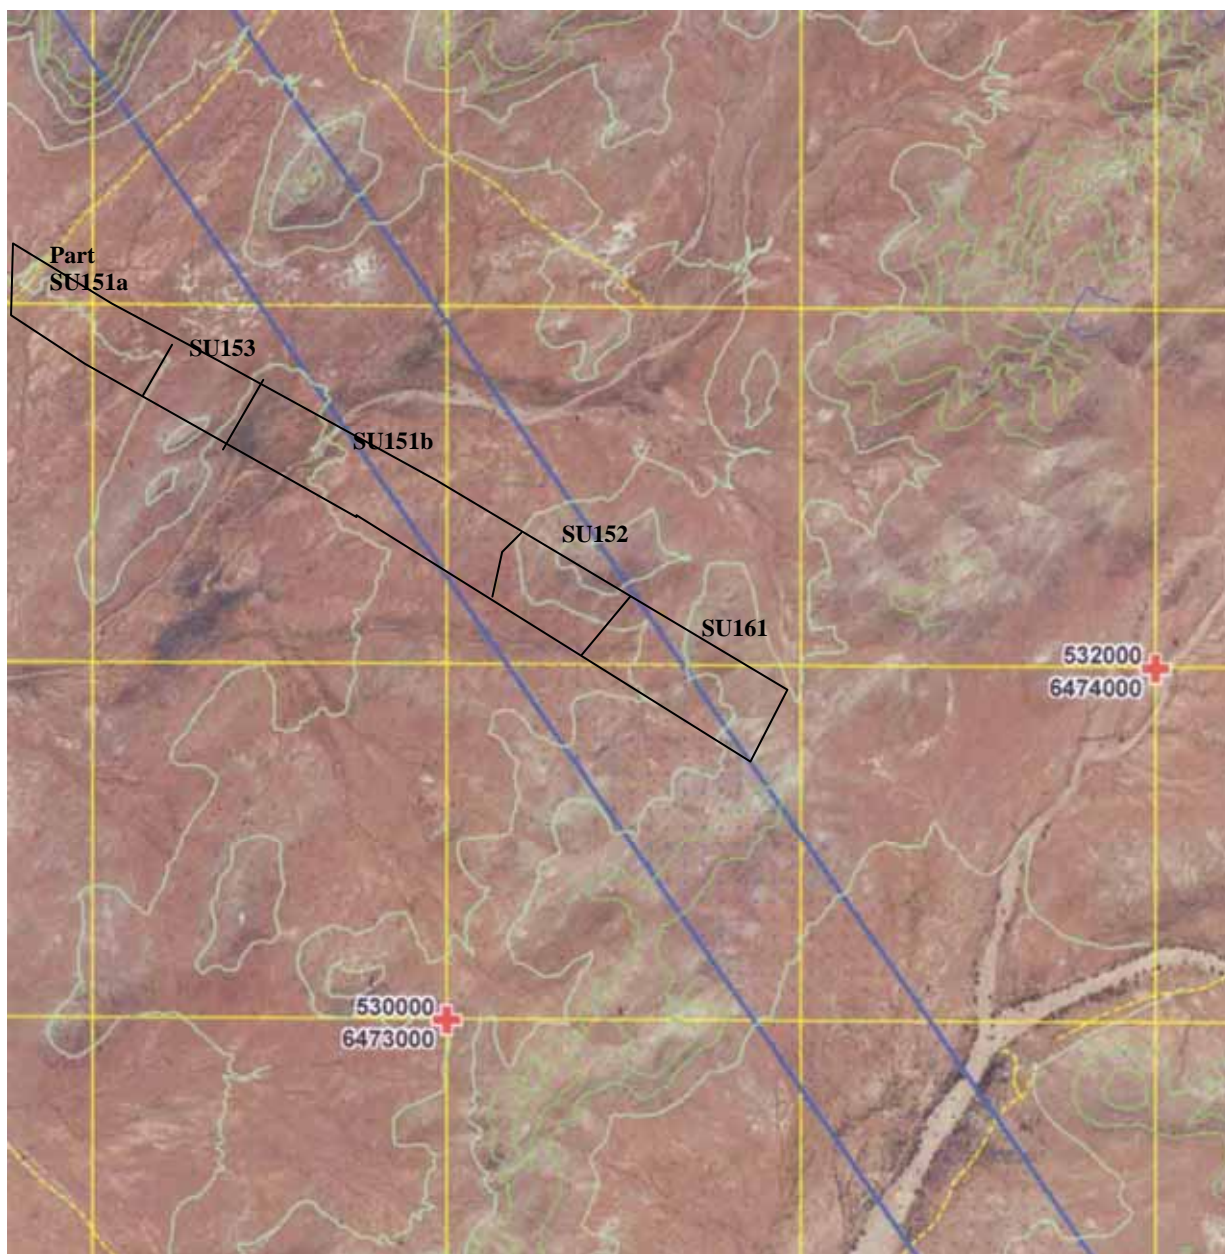

Map 6. Location of Survey Units 102 - 104, and Survey Units 110 - 125.
Note that turbine locations are indicative as per initial planning and are likely to have changed.

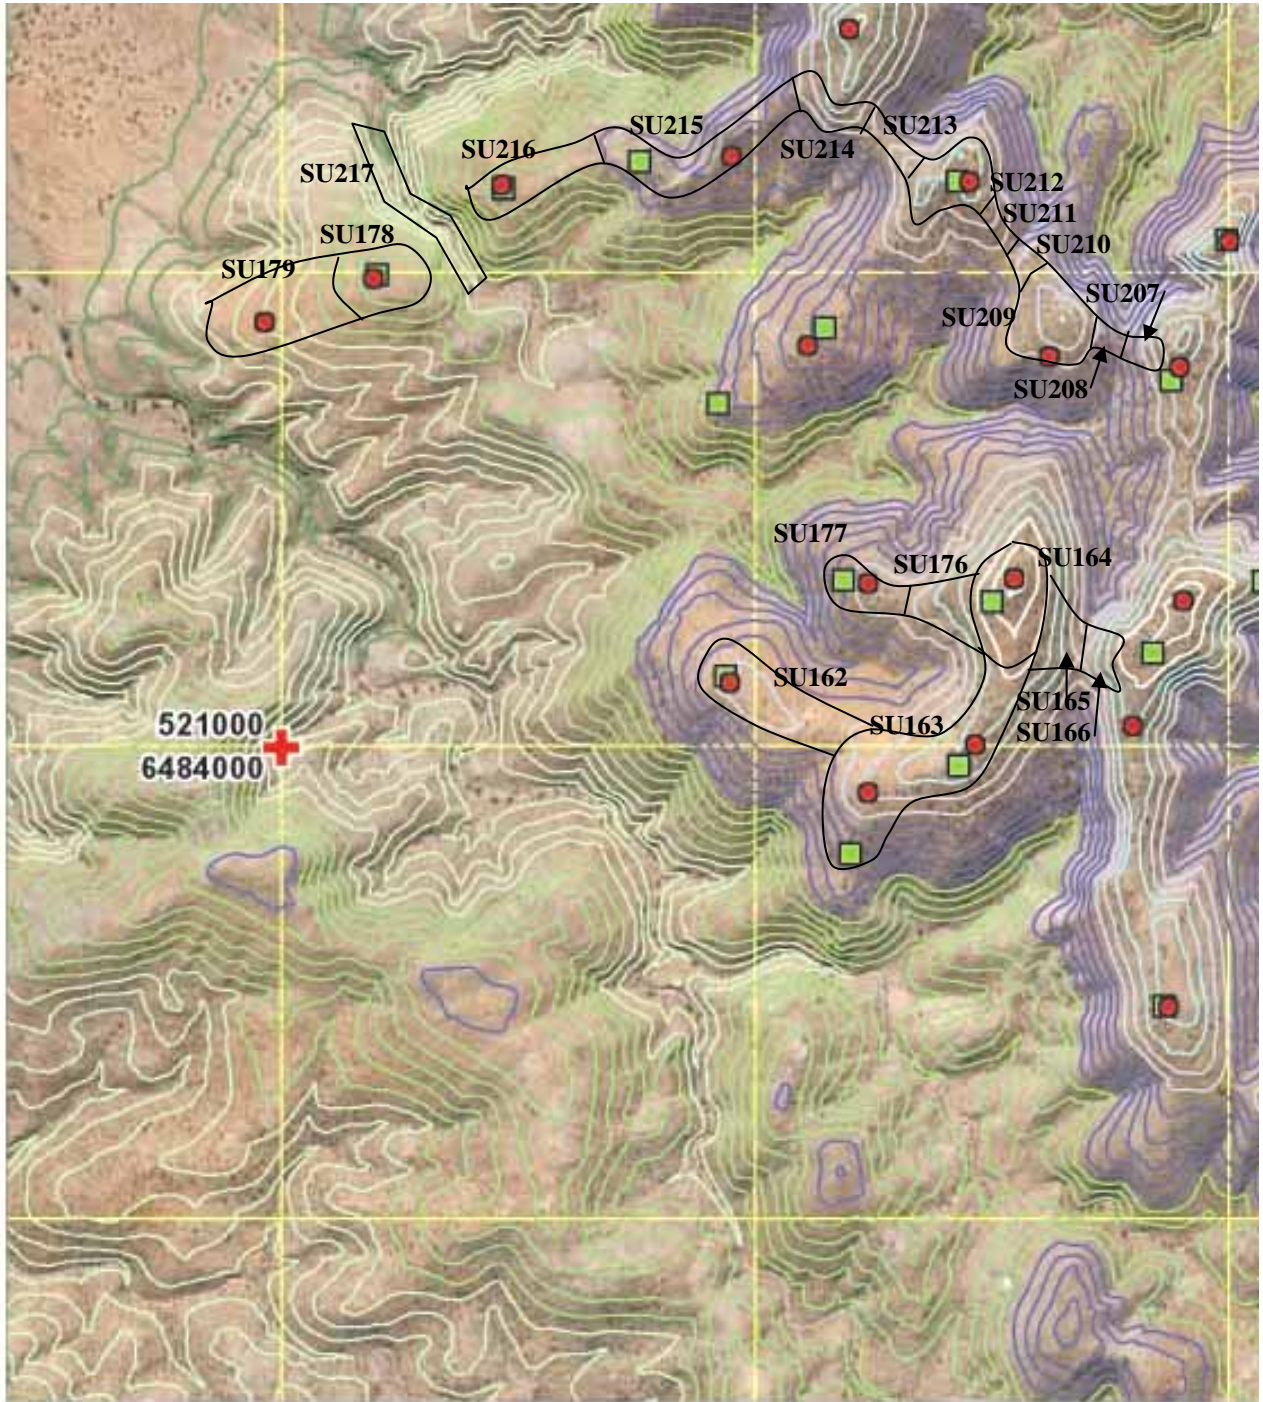

Map 7. Location of Survey Units 105 - 109, and Survey Units 126 - 130.
Note that turbine locations are indicative as per initial planning and are likely to have changed.

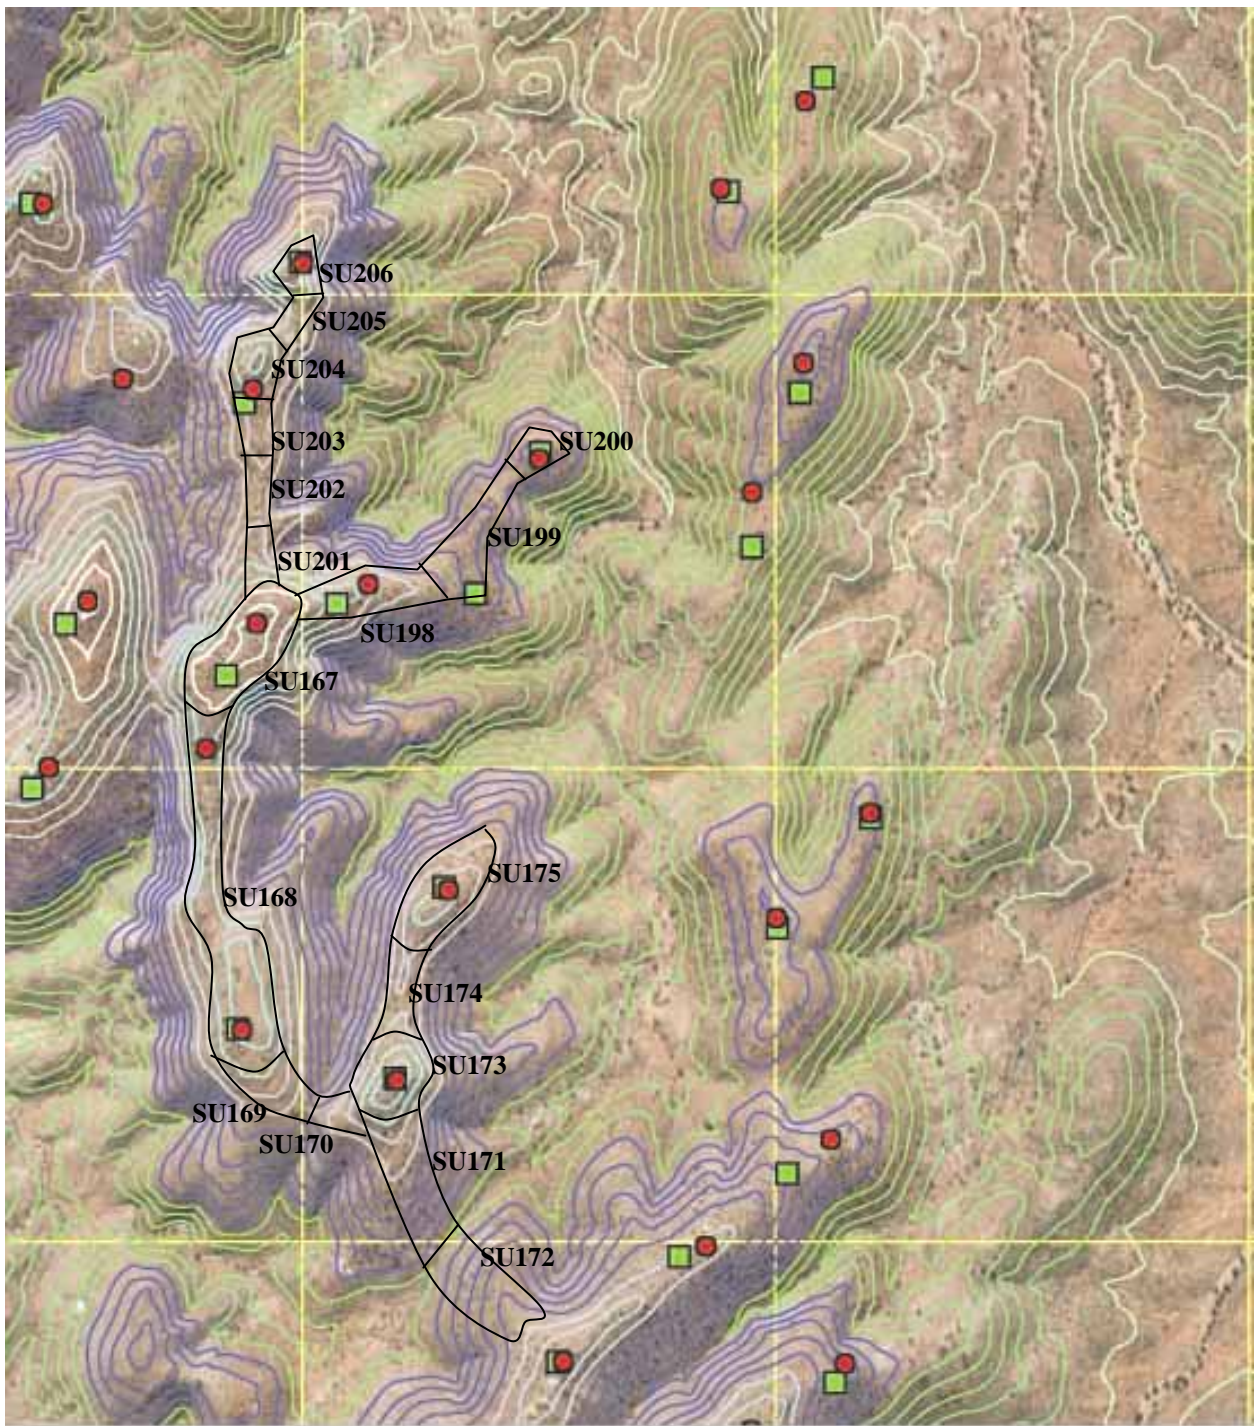

Map 8. Location of Survey Units 136 - 147, 154 - 160 and part of Survey Unit 158.
 Note that turbine locations are indicative as per initial planning and are likely to have changed.

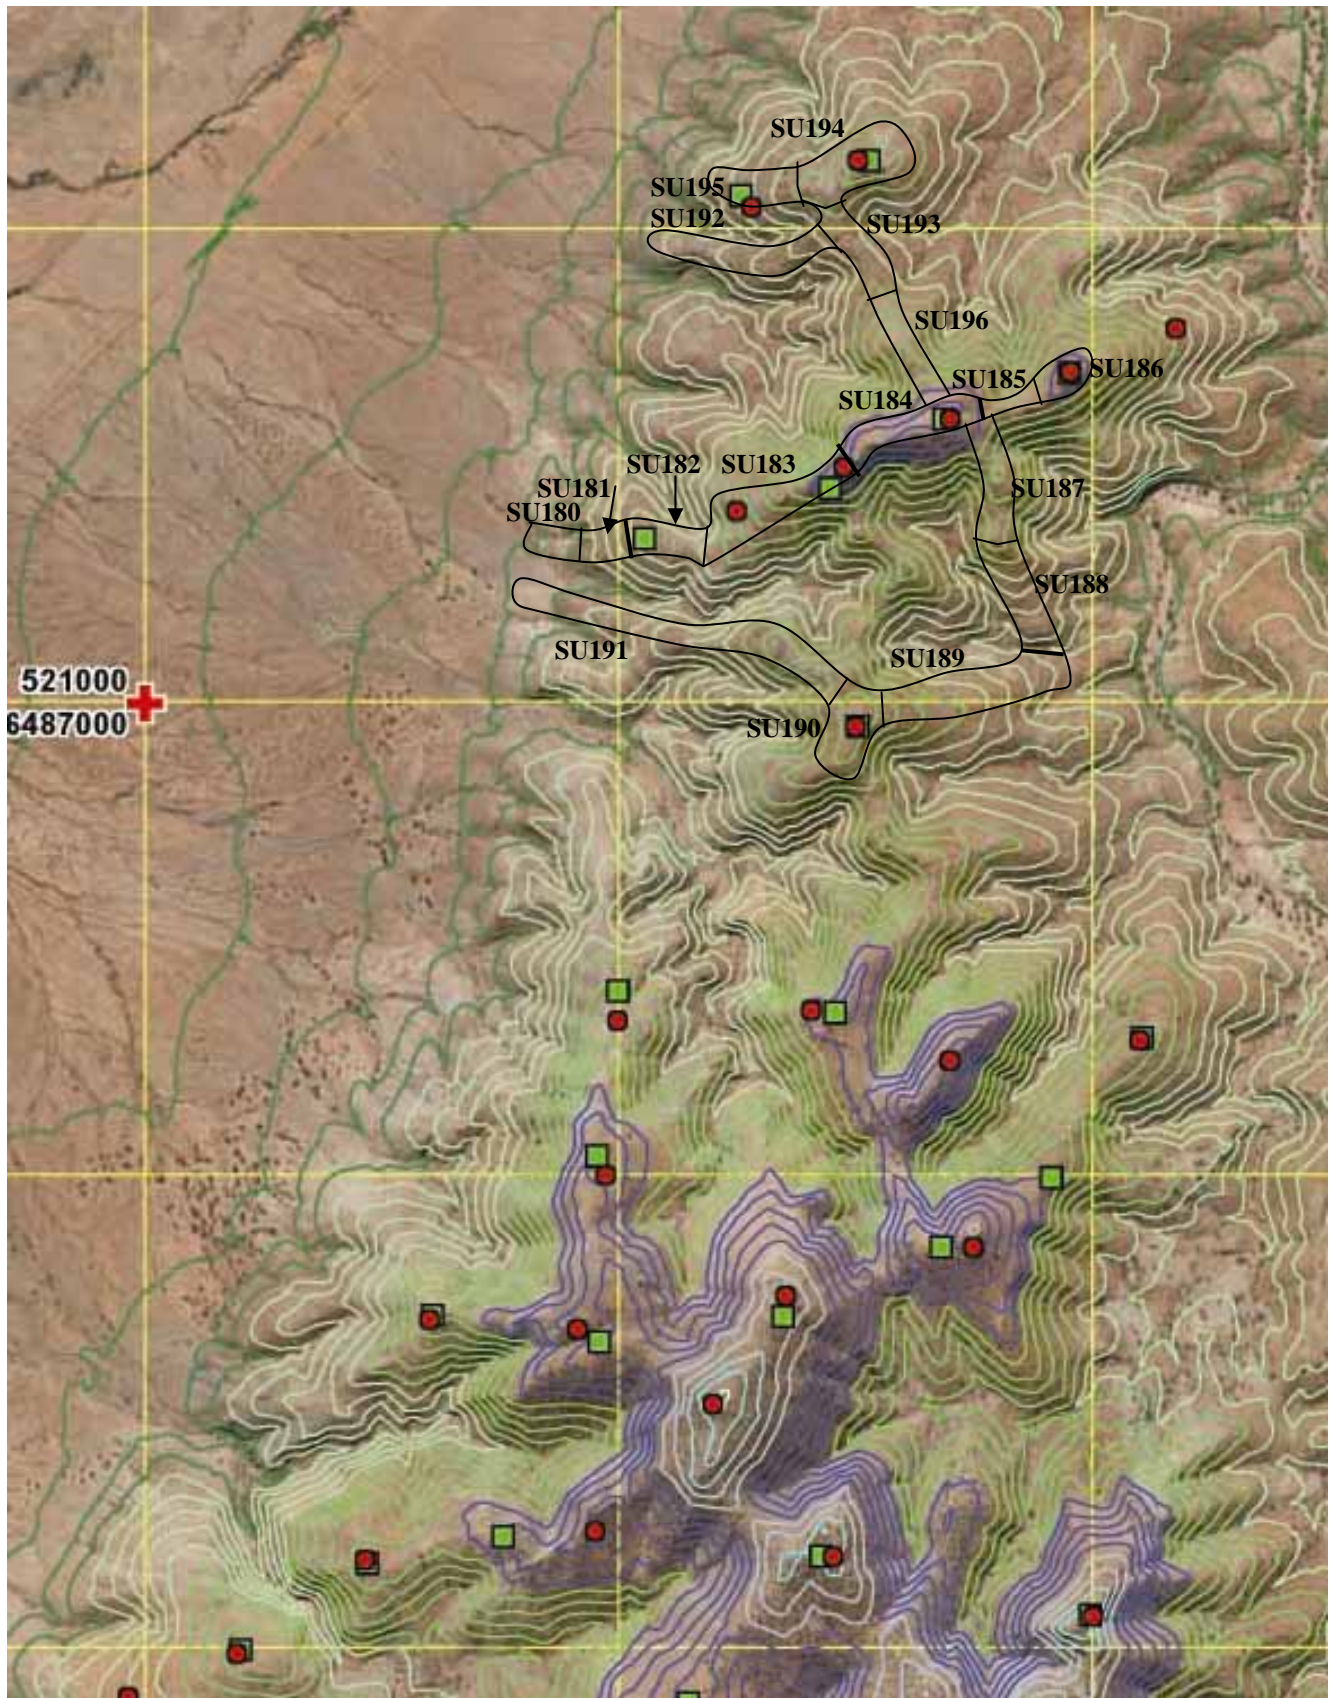

Map 9. Location of part of Survey Unit 151a and Survey Units 151b - 153 and Survey Unit 161.

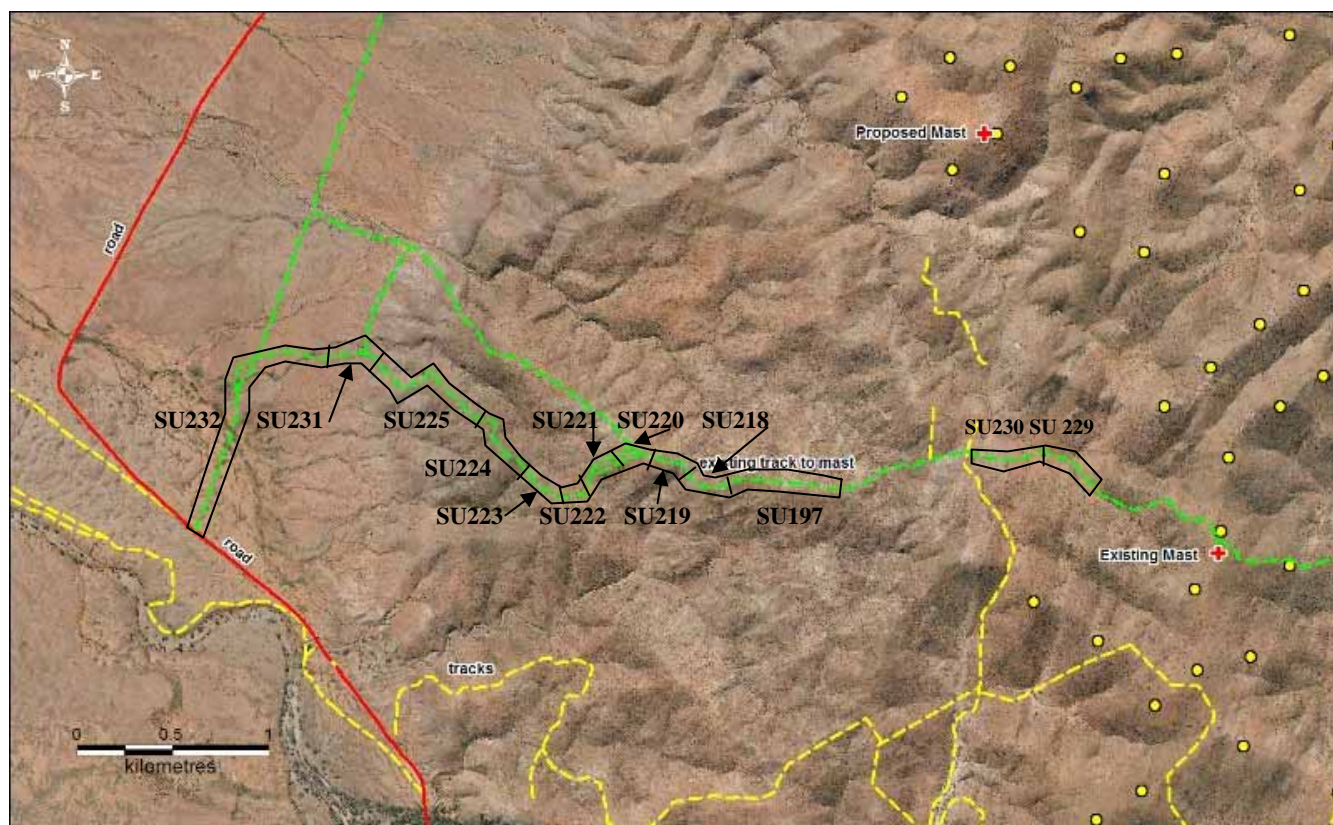

Map 10. Location of Survey Units 162 - 166, 176 - 179 and Survey Units 207 - 217.
Note that turbine locations are indicative as per initial planning and are likely to have changed.

Map 11. Location of Survey Units 167 - 175, 198 - 206.
Note that turbine locations are indicative as per initial planning and are likely to have changed.

Map 12. Location of Survey Units 180 - 196.
Note that turbine locations are indicative as per initial planning and are likely to have changed.

Map 13. Location of Survey Units 197, 218 - 225, 229 - 232.
Note that turbine locations are indicative as per initial planning and are likely to have changed.
