

Liverpool Range *Wind Farm*

EPURON

Project Update No 18 | July 2018

Approved - NSW State Planning – 27 March 2018

Approved - Commonwealth Environment Protection and Biodiversity Conservation (EPBC) - 29 June 2018

The full approval conditions both State and Commonwealth can be found at: www.epuron.com.au/wind/liverpool-range/downloads/

Proposed Voluntary Planning Agreement

The NSW planning consent conditions for the Liverpool Range Wind Farm include a requirement for a Voluntary Planning Agreement between Epuron, Warrumbungle Shire Council and Upper Hunter Shire Council. The proposed agreement will be on public exhibition on both council websites, in council offices and at the Coolah and Dunedoo libraries from **July 12th to August 10th**.

The key requirement of the agreement is....." ***a focus on funding community enhancement and road maintenance projects in the area surrounding the project site.***" We encourage you to read this proposed agreement and submit any comments to either Council by the end of the exhibition period.

Want to get involved?

We're working with the Coolah District Development Group to compile a register of local businesses and capabilities as well as planning a Business Readiness evening to help local businesses prepare for the upcoming tendering period. To register your business or attend the event contact us at info@epuron.com.au with the subject LRWF Business Readiness.

Silverton Wind Farm under construction May 2018 . The site was identified and developed by Epuron and is being built by AGL Energy and the Powering Australia's Renewable Future Fund (PARF)
